MADISON'S DUTY.

The following from the Richmond Register is good enough, we think, to occupy the most prominent space in this paper. Read it carefully and see what our friends in another county think of Lincoln's candidate for Congress:

With the precinct, county and district conventions only a few weeks off, it devolves upon Madison county to select of the three candidates for Congress him to whom she owes the most, and instruct her delegates accordingly. Though each of the gentlemen under consideration is clever, capable and eminently qualified for the office they seek, to our vision it is apparent that only one is entitled by reason of the support of his county in every race a Madison man ever undertook, to a clear and merited title to Madison's aid at this juncture. "Stand by the people who stand by you" is a maxim of undisputed soundness, and in accordance with it, we believe that the delegates of this county should be instructed without reservation for Hon. Harvey Helm, of Lincoln. From the beginning to the present day in Kentucky politics, Lincoln county has voted for Madison men first, last and always. In every race our candidates have made, there stood old Lincoln solid for them with her nine votes; when last year our John B. Chenault aspired for the honors of auditor, it was Helm himself who said, "good fences make good neighbors, let's put on another rail for John B. Chenault." Accordingly Lincoln gave Madison's candidate in that race the largest majority he received in the whole State outside of his home county, whereas Shelby, Spencer and Anderson went against him.

Mr. Helm is eminently fitted to represent us in Congress. A distinguished graduate of Central University, he spent many years of his young manhood in our midst and then displayed those sterling qualities of intellect and manhood that have since been recognized by his home people as well as the democracy of this district, of which

he was one of the delegates at Kansas City in 1900. He has represented Lincoln county with credit in the Kentucky Legislature and is now serving his second term as Lincoln's county attorney. Aside from the undisputed obligations we owe the democratic yeomanry of faithful old Lincoln, we can make no mistake in recognizing the eminent personal fitness of Hon. Harvey Helm.

REFERRING to what has appeared in these columns about the Hearst Hippodrome and its tour in Kentucky, the INTERIOR JOURNAL, of Stanford, says: "Certainly the great editor has a personal grievance against Mr. Hearst that caused him to indite the untold things about the splendid New York democrat. The good of the party did not prompt him to do it, to say the least of it."

Why should our esteemed country cousin think so? We have everything to lose in the making of enemies, little, if anything, to gain in the making of friends, by telling the people the truth. It ought by this time to need no proof, being plainly visible to the naked eye. The INTERIOR JOURNAL lives off the highway of quick communication with the outer and busy world—far, so to say, from the madding crowd—but, if its editor would take a trip to New York, and inform himself, he would readily and surely learn that we have written away inside the lines of fact and wholly without unkindness or malice. Yesterday's Courier Journal. Why don't you tell us what your objections to Mr. Hearst are, Mr. Watterson? Many of us have neither the time, means nor inclination to go to New York to find out about his private character. His political record is clear; is it his moral record which makes you fight him so? If so, tell us in plain English what he has done that is so very, very bad. Don't you think a man who has worked as hard for the democratic party as Mr. Hearst has is entitled to some consideration, not to say recognition? Don't you think you are a little too severe on him when you refer to him as a "Yellow Kid"? He may not in your judgment be presidential timber, but you surely know you are not working to the interest of the party when you vilify so good a party man as Mr. Hearst is proving himself. Be easy on Mr. Hearst, Mr. Watterson, and if you "can't be easy, be as easy as you can."

POLITICAL.

The Alabama convention selected delegates favorable to Parker. The Tennessee democratic convention instructed for Parker and nominated Gov. Frazier to succeed himself. It is understood in Washington that Smoot can keep his seat in the Senate if he holds Utah in line for the republican electoral ticket this fall. The Clark county democratic committee met and fixed Saturday, December 3, as the date for the democratic primary to select county officers. The subcommittee of the democratic national committee held a meeting in St. Louis and practically completed arrangements for the convention on July 6. The committee will meet again on June 15.

The following postmasters have been appointed since our last: Neatsburg, Adair county, J. H. Grant; Rose Hill, Mercer county, John D. Noel; Slickford, Wayne county, Thomas M. Powers; Vester, Adair county, James B. Dooley.

In this issue of The News appears the announcement of R. L. Hubble, of Lincoln county, as a candidate for the State Senate, in this district. Mr. Hubble is one of Lincoln's most respected citizens and is well-known throughout this district, having for many years been a citizen of Garrard, and also lived for a while in Boyle. He is a good democrat, a popular and affable gentleman, and if elected to the office for which he aspires, will make the district an able representative.—Danville News.

Our Preachersville Literary and Debating Society has decided to move their place of meeting to White's School-house. We regret this move as Preachersville is in great need of that brotherhood and unity, which is only derived from societies that are banded together for common good.

Kentucky's Artist is only 8 years old and is regarded by Kentucky's best judges to be the most perfect gaited saddle stallion in the State. I will be glad to show him to any one at any time and invite breeders of fine horses to come and see Kentucky's Artist before breeding. I stand him at \$20 the season or \$25 to insure a living colt. I don't want your money until you have gotten value received.

A. E. HUNDLEY,

GUY L. HUNDLEY.

PRESTON, NO. 922.

This premium saddle stallion of the world will make the season of 1904 at the stable of J. C. Bailey, on Old Lancaster Street, in Stanford, Ky.

Preston is a brown horse, 12 years old, 15 1/4 hands high, a perfect model, with great style, action and speed.

Preston was sired by Washington No. 54, he by Cromwell No. 73, 1st dam Belle by Rodwick; and dam by Denmark horse. Preston has shown against and defeated all the great show horses of Kentucky, such as Kentucky Artist, owned by J. T. Crenshaw, of Lexington, Ky., and Montgomery Chief, owned by Ball Bros. Why you should breed to Preston

1. Because he is the greatest show horse Kentucky ever produced

2. Because he is siring great show horses, such as Electra that was sold to Senator Vane for \$2,000; Rebecca, that sold at New York Exchange to George Watson for \$650; Miss Henrietta, owned by Gay Bros., that won more premiums in saddle and combined rings than any three-year-old out in 1903; a yearling colt sold to J. C. Cravins, of Illinois, for \$500.

3. Because he is the only saddle stallion that ever sired a team of harness geldings that sold for \$5,000.

4. Because he won the championship of the Louisville Horse Show in 1903, shown by Matt S. Cohen, of Richmond, Ky.

5. Because he has won more money in the show ring than any other saddle stallion in Kentucky.

6. I will be glad to show him to any one at my stable and invite those wishing to breed to a fine saddle stallion to see him before breeding. I will stand him at \$10 the season or \$15 to insure a living colt.
